Education

- 2021 :** AWS Certified Cloud Practitioner
GitLab Certified Associate
Certified Rancher Operator: Level One
Microsoft Certified: Azure Fundamentals
SST : Lifeguard at work
- 2018 :** Certification Ephesoft Transact Basic
Certification ACSCE 5.X Engineer alfresco
- 2017 :** Certification ACA 501 Administrator Alfresco
- 2014 :** Consular certificate "local manager"
-
- 1999-2002 :** Engineer in computer science Network and Multimedia
Communication graduated from Polytech'Grenoble
- 1997-1999 :** DUT computer science in software development at IUT2 Grenoble

Skills

Languages : **Java**, ReactJS, C/C++, **HTML 5.0**, **SQL2**, JSP, Servlet, Struts, XSL, Python, ADA, Assembleur

Software and methodology :

Eclipse, **Jboss**, **Oracle**, **SQL Server**, **PostgreSQL**, **UML**, Tomcat, Apache, Visio, Office, Sybase, Zo, XP, **Adobe CS** , MindMapper, Drupal, **SONAR**

Operating system :

Windows, Android, Unix, Linux

Virtualisation :

VMWare, Docker, Kubernetes, Rancher

Library:

Waba (Palm, windows CE application in Java) & J2ME

MPI, OPEN MP

JPA / Hibernate / Spring

Jasper

Article & Public presentation :

Article on JPA in national publication LinuxDevJournal(january 2008),

JPA2 presentation at Lyon JUG in front of 80 people (professional public) 20/10/2009.

Competition

J2ME Siemens 2002 finalist

Intel Perceptual Computing 2013 finale phase

IBM Drone challenge 2019
